SECURE INDIA INFINITY SOLUTIONS

SECURE INDIA INFINITY SOLUTIONS

COMPANY INTRODUCTION

Secure India Infinity Solutions since 2014 is a well established PSARA certified IT enabled security company dealing PAN India contracts with Multinational companies, Hotels, Schools, Hospitals, Industries and others. We have a team of professionals having 20 years of experience in this domain. We are more focused on training and motivational sessions of our security employees as training makes the difference in this industry and we have a mechanized program to handle all its requirements.

Over the years, we have extended our services to Housekeeping and Pantry management as well and have been providing the complete Facility manpower support to various schools, industries and especially Co- working spaces like STEP 01, Our Space Solutions Pvt. Ltd. and many more.

Secure India has total manpower of 3000 + across different states in India and in Delhi NCR this strength is 1500+.

Over the years, the Company's growth has been achieved through a combination of recommendations from existing clients and new opportunities. Achieving exponential growth in a short span is no mean feat. Our contract retention rate remains high and is a focal point of our growth strategy.

OUR VISION

To emerge as a distinctive IT enabled Security Company across India by fulfilling our commitments and ensuring the desired security services delivery to our clients with state-of-the-art technology & most professional services.

OUR MISSION

To develop innovative, reliable and technically superior security solutions which not only add true value to our business but also add to the longevity of our partnership with clients.

SECURITY SERVICES

We provide plethora of security services as per the PSAR Act 2005 and guidelines issued by various states and union territories of India We are well managed and have different mechanism to monitor our service level and performance.

BANDWIDTH OF OUR SECURITY SERVICES

PHYSICAL SECURITY

ELECTRONIC SECURITY

- Electronic Surveillance of Infrastructure and manpower Using variety of advance sensors
- Tracking and Monitoring Apps
- 24*7 CCTV camera surveillance of sites
- 24*7 Control Room Support

RECRUITMENT

We have same standards of recruitment as the Delhi- Haryana Police- both for the education as well as physical standards. We have recruitment Centre in UP, MP, Bihar and Rajasthan.

10th Class pass

5'7" Minimum Height

Training and Police Verification of all guards (Pre- Deployment)

TRAINING

SECURE INDIA INFINITY SOLUTIONS has a policy of deploying guards after the Minimum training Program as directed by the PSAR Act 2005. We have a training Centre in Rajasthan and for Delhi NCR operations, our training partner is Olive Heritage, Sec 22, Gurgaon, Haryana.

- Two weeks intensive training program at Training Centre (Pre- Deployment)
- One week on Job training
- Client specific weekly training
- Motivational and Social Conduct Classes
- Lady Trainers to counsel female guards
- Special Training system for Schools considering the child safety.

SITE SPECIFIC INSTRUCTIONS

Always remember what the client needs!!!

Given the unique requirements of every client, we will plan the Site specific instructions for each post and for each area under our protection and watch. These will be printed in Hindi, English, laminated and placed at every post, with a copy at Control Room, guard and client.

TAILORED GUARD MANUALS

Never forget your training!!!

A unique initiative By Secure India Infinity Solutions is the creation of Guards " Bible" - his guard manual – carried at all times. Not only does this service as a constant reminder of his training, including training on Fire and First Aid, we also specifically tailor guards manual with site-specific instructions for our clients.

THE E- MONITOR

Fully Automated E-mail based Online monitoring of all units.

An android based application that delivers –

- Photographic Evidence of Security Alertness and Turnout. It works on GPRS that gives foolproof date, time and geographic location.
- Anti Sleep: The device monitors alertness!
- Operations / Field Staff – Movement & Checking Verification The device tracks the movements of our operations officers so that we know where they are and what they are doing

INCENTIVE DRIVEN MONTHLY APPRAISALS!!

Secure India has strong systems of Monthly Performance Appraisals through which we are able to align the goals of our Field Operations with that of our clients. Every month we would ask our client to rate our performance, based on which incentives would be paid. This aligns the goals of our operations with that of the client.

HONOUR GOVT. COMPLAINTS

This only provide us with a foundation to build on

- All Employee receive Minimum Wage ESI Workman Compensation
- EPF
- Relieving Charges, Sundays, National Holidays And other statutory benefits

POLICE RELATIONSHIP MANAGEMENT

Eliminating unpleasantness and Ensuring response

We assist our clients in interacting with the Police at all levels. Today, Unfortunately local crime is no uncommon. Very often people find interacting with the police a rather unpleasant experience.

We are maintaining good Liaison with the Police authorities at all levels through our Legal and Consultants who have a very bright exposure working with Police and other Govt. Authorities.

We can assure complete cooperation with the police in need ever arises.
